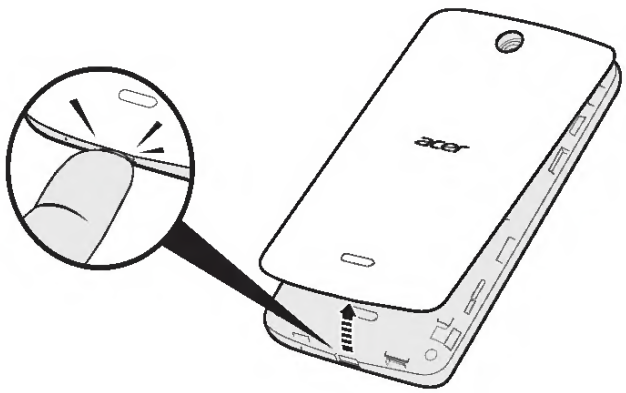
Setting up for the first time

Inserting the SIM card, battery and microSD Card

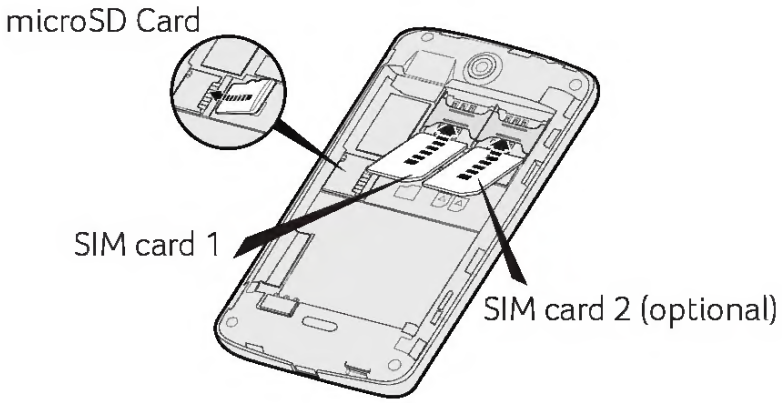
Insert your fingernail into the cutout between the battery cover and the phone. Unclip the cover and lift off the battery cover.

Insert the SIM and microSD Card as shown.

1



2



Note: Specifications vary depending on region and configuration.

Note: Ensure that the microSD Card is inserted all the way into the card slot.

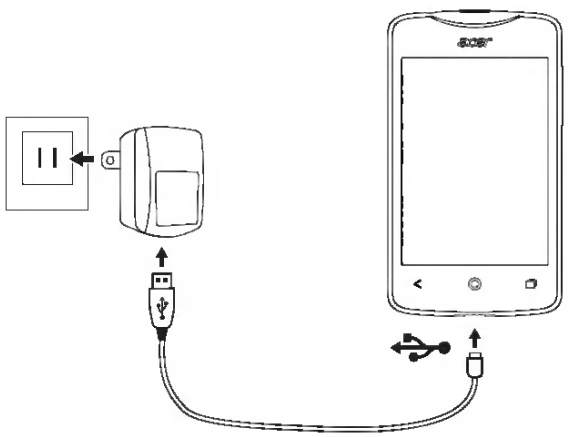
Charging your phone

Prior to initial use, you will need to charge your smartphone for eight hours. After that you can recharge the battery as needed.

Connect the AC adapter cord to the micro USB connector on your smartphone. Plug the AC adapter into any AC outlet and charge the device.

It is normal for the phone to heat up when charging or during long periods of use.

All phones are factory tested before they are released.



Download and install the latest USB driver on your computer before connecting your smartphone to the computer. Visit **www.acer.com/worldwide/support/download.htm** for the latest driver.

Resetting the phone

Open **Settings** from the Applications menu, then tap **Backup & reset**. Tap **Factory data reset** and then tap **Reset phone**. Tap **Erase everything** to format your phone.

Safety

Replacing the battery

Your smartphone uses a Lithium battery. Replace the battery with the same type as that which came bundled with your product. Use of another battery may present a risk of fire or explosion.

Warning! Batteries may explode if not handled properly. Do not disassemble or dispose of them in fire. Keep them away from children. Follow local regulations when disposing of used batteries.

Disposal and recycling information

Do not throw this electronic device into the trash when discarding. To minimize pollution and ensure utmost protection of the global environment, please recycle. For more information on the Waste from Electrical and Electronics Equipment (WEEE) regulations, visit **www.acer-group.com/public/Sustainability**

EEE yönetmeligine uygundur.
It is compliant with EEE regulation.

Regulatory information
